### DRESSING WITH REVERENCE

While fashions go in and out of style, reverence never does. No matter what the season, a gentle reminder is in order as to appropriate dress for attending Mass. The manner in which we dress when we gather together to celebrate the Lord's Supper reflects our reverence and our gratitude for the gift that we have in the Holy Eucharist. As brothers and sisters in Christ, it also reflects our level of respect for one another. Any clothing, or lack of clothing, that distracts those around us is not appropriate. As a Parish family, let us encourage one another to be witnesses to our faith with reverence and with mutual respect.

## PROJECT ADVANCE APPEAL

---

IC parish participation goal: 50%

Where we are today:

Donors 289

Current participation 15%

Give God our best treasure. As Jesus was once watching people give in the temple area, some were marveling at how much the wealthy were giving. Jesus watched a widow put two small coins into the collection and He told His disciples that she had given more than all the rest! As Mother Teresa said, "Give until it hurts." At Mass, think and pray deeply about the sacrifice of Jesus Christ and pray to Him for the grace to make a sacrifice that resembles His own. The only way to begin Giving is *to do it*. *Your participation and stewardship is what matters the most!*

An easy and quick option is to give online by visiting [www.projectadvance.ca](http://www.projectadvance.ca) and clicking on the Donate button. You will get an instant acknowledgement of your gift and also have the option to obtain your tax receipt.
